PwC

Working experience:

Paiboon is a PwC partner and a member of the Assurance leadership team in charge of business development in Bangkok. He has extensive experience in providing statutory audits and business advisory services, particularly IPO-related services and IFRS 17 insurance contracts. Over the past ten years, Paiboon has led and managed a number of successful IPOs and provided financial services to various industries including the insurance, hospitality, retail, property, manufacturing and trading sectors.

Serving clients in the financial services sector, particularly insurance, Paiboon gained extensive knowledge and experience with regulatory requirements and he can share best practices and insights with clients. Paiboon's past working experience also includes being head of Assurance in Cambodia, Laos and parts of Vietnam. This helped him learn first-hand about potential outbound investment challenges in these emerging countries.

In addition to his work with clients, Paiboon is also in charge of Corporate Responsibility/Sustainability and Alignment for PwC Thailand, roles in which he needs to collaborate with outside regulators and partners as well as each Line of Service inside the firm.
